Workshop Agenda

8:00 - 9:00	Registration & Breakfast	
9:00	Welcome: Opening Remarks	
9:15	Keynote Speaker: Tony Sutton-UMaine	
	Track 1	Track 2
Session 1 9:45	SafetyWorks! Adela Cifelli	Organic Composting and Food waste
	This safety training will focus on the following topics: Chemical safety and GHS, Ergonomics, Fall protection, Hand and power tools, and Material handling.	Learn about organics management around Maine from DEP's compost expert Mark King and about UMaine's closed-loop composting operation from Scott Foster of UMaine Recycles and Dan Sturup of Auxiliary Services
11:00	Break	Break
Session 2 11:15	SafetyWorks! Adela Cifelli	A Little Grant Funding Goes a Long Way
	This safety training will focus on the following topics: Chemical safety and GHS, Ergonomics, Fall protection, Hand and power tools, and Material handling.	Learn about innovative waste diversion projects. China's RFID project will generate facility use data as they expand to serve regional needs. Kennebunkport's home composting program will increase food scrap diversion.
12:30	Lunch & Networking	
1:15	Closing Remarks: Thank you!!	
1:30	Tours: UMaine Composites Lab OR UMaine Food waste Management Program (Must Pre-register for Tour)	

Take a tour of the Composites lab where you will see the largest 3D printer in the World!!

Come and see the food waste management process from the Cafeteria through to the Composting area.
