

COVID-19 Best Practices Resources

MRRA is bringing you some COVID-19 resources and best practices that the staff and Education Committee have reviewed. We feel they are valid and may help you make decisions as you decide how to continue to operate essential services and protect your employees who provide these services. Please take the time to review them and use them as you see fit.

Stay safe and healthy!!

Resources specific to transfer stations and recycling:

ISRI: <https://www.isri.org/covid-19/covid-19-guidance-to-help-recyclers-operate-safely>

A great webinar on how to keep the public and operators safe:

Northeast Resource Recovery Association
(800) 223-0150
www.nrna.net

NRRA: **BEST MANAGEMENT PRACTICES FOR RECYCLING FACILITIES DURING COVID-19 WEBINAR (Recorded 4/15/20)**
