

# MARRA Services Development

What can MARRA do for you?

# We heard you!!

- When we last met, we discussed what you felt MRRA could expand in the services we offer
  - The biggest take away was
    - Creating a forum/list serve for you to communicate with each other outside of the conference.
- We have created that list serve and are ready to roll it out to our members!!!
  - If you are a member of the MRRA you will be receiving and invite within the next couple of weeks!

# Welcome to our listserve!!
